Would you like to submit a story?

We're interested in stories about people ... about events ... about plans and projects ... about new things that are happening ... about things you're celebrating.

People who read about what **you're** doing in **your** local church community may get some good ideas about what **they** can do in **their** communities.

How much should you write?

Our rule of thumb is 100 - 150 words maximum.

How should you write your story?

Write it simply. Don't try to be impressive - just straight forward. Be relaxed about it. We can polish it up a bit - or make it fit the space available.

What should you put in the story?

What it is.

When it is.

Where it is.

Why it's being held.

Who's taking part in it

How people can find out more about it.

What about photographs?

Yes, we like photographs. Please provide your name and address and we will try to return them .

If you have any questions, please get in touch with us.
