**This seminar forms just one component of the overall BCSA Child Protection training strategy  
Refer to the BCSA website for more information**

#### **NOTE:**

**Any person arriving late, missing a session or leaving early will  
not be supplied with a certificate**

**Warning: The topic of child abuse is a confronting issue. CPS advises that whilst seminars are custom designed in order to meet the specific needs of individual clients (voluntary and professional) as well as organisations, that some components may be disturbing. If for personal reasons you are in doubt, please discuss the situation with your pastor or CPS before attending.  
It is the responsibility of each church to have a designated pastoral carer in attendance.**
