INSERTS

We do not include inserts in our publication unless they relate to our agencies.

NOTES

1. Layout of advertising is usually portrait orientation. Landscape orientation (set out over two column widths) will be considered for the the larger advertisements.
2. "Together in Mission" magazine reserves the right not to accept advertisements outside of the policy guidelines. Examples of advertising we are not able to accept include those soliciting donations, or those seen to be in competition with Baptist initiatives.
