The levy is payable retrospectively, as per our invoice (which will be calculated from the information provided by you in the attached "Employment Details for Assessment of Long Service Leave Levy"). As in previous years the levy will be adjusted where a loading or a percentage of the recommended package is notified as being paid. It is important that you include all relevant employment for the year from 1 July 2021 - 30 June 2022, including pastors who have left during that period.

PAYMENT OF LONG SERVICE LEAVE

The payment of Long Service Leave is based on employment history (full-time/part-time), with a minimum service of ten years required for eligibility (although payment can be paid after seven years on resignation). The calculation is based on the recommended salary package plus an additional 10% to cover the Superannuation Guarantee. Where a pastor is paid at a rate other than the recommended stipend, the Long Service Leave payment will reflect the varied amount only where the variation has been notified and incorporated in the annual levy.

PROCEDURE FOR APPLICATION

A written application by a fund member should be directed through their church to the Accountant, Baptist Churches of South Australia, PO Box 432, UNLEY SA 5061. Applications should be made not less than 30 days before the commencement of leave.

PROCEDURE FOR PAYMENT

Baptist Churches of SA will pay the leave amount to the Church as the employer. The Church will be required to pay the leave in accordance with the Long Service Leave Act, pastor's agreed salary package and deduct relevant tax. Superannuation and Return To Work are also payable on the Long Service Leave payments when long service leave is taken.
